**December 2020**

Dear Friends,

What the world calls, the *most spectacular time of the year*: "Christmas," is here. Where we live it is very white and frosty and the temperature is below zero as we write this letter. Our daylight time is short, making our night long and the lights decorating streets and homes shine very brightly. However, lives are still living in the darkness of sin, shame, fear and without the Savior. That is why God has sent us to Alaska. With your prayers and financial support, the light of the Gospel is dawning on hearts.

**COVID-19** has changed the way we live but it cannot and shall steal from us the true meanings of the Thanksgiving we just celebrated nor will it steal Christmas. For those who are unable to get to an in-person service we continue each week with a service on both Facebook and YouTube. We also provide 'in person' services on a regular schedule.

**Alaska Evangelism Bible Study lessons** continue without interference from the Covid restrictions. The western part of Alaska is presently shut down from outsiders traveling into the villages. Please pray with us that this changes before summer so that it will not Interfere with Camp Agaiutim Nune 2021.

Many are trying to figure out what to do for Christmas. It should not be about the guests you will have or the guest you will or would like to be at someone's home. Nor should it be about the decorations and gifts. It should be about the Christ who came to set us free from the penalty of sin and give us eternal life. What a joy to know that message and be able to give it to the hurting world around us. Anchorage and Alaska is suffering. We pray that it causes many to turn to Jesus who otherwise would not listen. God can use anything evil for our good and His glory.

Linda and I pray you have a most precious Christmas with just you and the Lord!

Blessings on you and yours this season!
