Dear Friends, *Spring 2021*

Alaska is at equinox now. The sun is coming back and while we still are seeing zero and below weather and plenty of snow, there is the promise of Spring.

Spring, like the Resurrection, gives us the promise of life. How thankful we are that we have such a marvelous promise. And that is the very reason you have joined with us to reach the regions of the far north with the promise of salvation, the resurrection and the soon coming of Jesus, our Savior.

We are endeavoring to make plans for the summer and its outreach ministries through Camp Agaiutim Nune. Please be in prayer with us as many of the villages of western Alaska are still closed to outside traffic. We have presented a letter to Village Tribal Council asking for favor to be able to conduct the camps this summer. This is a critical need. Some of the villages have not been able to have church for many months due to lockdowns. Teams are ready at the moment; however, the longer we have to wait till we know if we can get into the villages, the more they are having to cancel because of timing and airline scheduling. Thank you for being in prayer with us.

Our in-person services are beginning to pick up some momentum here in Anchorage. We have also reached some new families as well. We are believing for a great influx of souls for the kingdom of God in these last days. We are joining with a multitude of saints praying for a great End-Time revival. Many are the lost still to be reached and time is short.

Praise the Lord that Covid cannot stop Alaska Evangelism Bible study lessons! We have continued with correspondence grading and sending lessons in spite of all the lockdowns and situations that satan has thrown at the church. God is still on the throne and He rules.

Thank you for your faithfulness in standing with us in prayer and financial support. There is no way for us to express how important you are to us. Without you, we would not be here. God bless and protect you where you serve.

Yours for Souls in Alaska,

Jim & Linda Schulz
