Yes Lord, Yes Lord, Yes Yes Lord
Yes Lord, Yes Lord, Yes Yes Lord
Yes Lord, Yes Lord, Yes Yes Lord
Amen

Staff, campers, and all supplies go from
Emmonak 17 miles upriver by boat to the camp

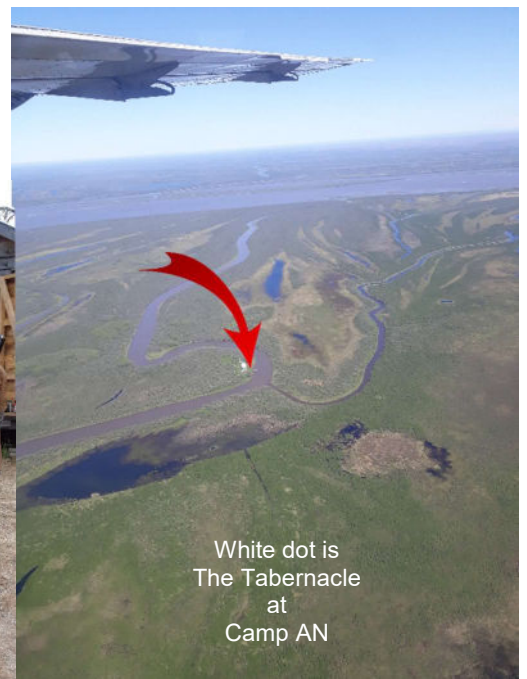

Small part of kitchen

New water purification system (left) replaces hauling drinking and cooking water by boat from Emmonak in 5 gallon jugs. Saves a huge amount on gas.

The camp was donated a small sawmill which they use to cut lumber from driftwood logs. This year they were able to make a cabin with rooms for speaker, cook, and other staff.
