Summer 2024

As we see the long days of summer in Alaska arrive, we are again reminded of:

The Sunlight of God's Love

Remember with Linda a special spring day...

Do you enjoy the sunlight during this time of year? I do. Every year when the days begin to get longer, I remember a day in Kotzebue when the Lord spoke to me through the sunlight in my kitchen window. We had just come through the long, dark winter that only those of us living in the northern regions can know. I was doing dishes and enjoying the sunshine when I began to notice that my kitchen was not as clean as I had thought it was! It had looked fine as long as the only light was artificial lighting, but now the sun was shining in all its glory, illuminating crevices and corners with eye-opening clarity. I was shocked. I realized that the kitchen had only "looked clean" because I had not been able to see clearly. The Holy Spirit whispered to my heart that the same was true in my Christian Walk. The closer I moved to the Lord, the more I could see the flaws in my life. The Lord wanted me to have a clean heart as well as a clean house—clean because I had allowed Him to be the Lord in all areas of my life

Spring definitely arrived in Alaska. We cannot begin to tell you the level of activity preparing for this summer at Camp AN. Hundreds of boxes and thousands of pounds of building materials shipped—food, supplies, building materials, etc.

The barge coming from Nenana has materials on it. Some is air freighted from Anchorage.

Here are the mattresses for bunk beds in the new dorms being built.

Pray for staff, campers, and supplies to all be protected and arrive safely. Pray for the continued safety of all while at the camp and travel to and from. Pray also for Linda and those who handle the Anchorage side of Camp Agaiutim Nune with workers travel and sending parts as needed.

Please allow God to minister to you this summer as He has to us. We love our ministry in Alaska. You are a great part of it. Pray with us for a covering of protection and a mighty move of the spirit in all that happens across Alaska. Thank you in advance for doing your part. We love and appreciate you.

All for Him!
