Dear Friends, *Winter 2019*

Linda and I cannot begin to express our gratitude to you for joining with us in our ministry in Alaska. Your faithfulness in support and prayers make everything we do possible. You are our heroes. We wish we could transport each of you here to introduce you to the wonderful people of Alaska and help you see how you have helped bless them and help reach them for Christ. Please know that we realize many of you sacrifice to support us. We love and appreciate all you do. Please continue in prayers for us.

We are still in the process of securing staff for Camp AN 2020. A maintenance person and another head cook are still needed. We do have one head cook who has signed on (PTL) and will be working with a retiring cook this year to make sure she feels confident to take over. We supply menus, ingredients and support staff. We do everything we can to lighten the load. It is necessary to have two head cooks so that the load is not so heavy on one.

Dates for Camp AN 2020:

- Construction/set-up: June 9-14
- Kids Camp: June 15-20
- Teen Camp: June 23-28 with
- Grand Finale (includes Families) June 28th

Could God be speaking to you? We know God has a plan for every need of Camp AN. We could write a book of the miracles that have brought the camp into existence. We constantly hear from staff and workers that they were blessed more than they gave by working at Camp AN.

Initially we had thought that the multi-cultural church we pastor was not hurt in the earthquake of November 30, 2018; however, when the snow melted, we discovered some damage. It was not enough that we cannot occupy the building, but engineers say that it needs to be fixed because another quake like the one last year would be disastrous. God is working all things together and we already see Him providing for this need. Pray with us as we work with engineers to repair it. It won't be able to be completed until Spring as there is so much damage around Anchorage that there is a wait list for any such work.

As we look forward to this Thanksgiving and the Christmas Season, we can't help but be thankful for you, so we say it again. Thank you. God bless you and may this Christmas Season see each of us closer to Him. We know He is coming soon and yet there is work to do. Thank you for helping us.

Yours for Souls in Alaska,

Jim & Linda Schulz
