Winter 2024

Dear Friends,

While many of you are still passing through autumn's transitions, here in Alaska the colors changed long ago, the leaves have fallen followed soon by two feet of snow. Change is in the air! But greater yet is the sense of change as we anticipate what the Holy Spirit wants to accomplish in this next season.

Crossroads Assembly in Anchorage has just finished a month of missions' emphasis. This congregation never wants to be only on the receiving end of missions. We are teaching them to get involved through trusting God as He uses them to reach others with the same redeeming Gospel that changed their lives. Please pray with us that God will enable us to have a great impact in our area and around the world through the missionaries Crossroads partners with!

Plans are already well underway for next summer's outreach through Camp Agaiutim Nune (Camp AN). Our speakers are lined up and we are enlisting workers to serve as "coaches" for kids' and teen camps. If you are interested in coming or your church is interested in sending a team, please contact me as soon as possible for more information and plan to join us in reaching Yupik Eskimo youth for Christ in this remote area of Alaska!

Special Request: We have a great need this summer for a second kitchen cook. Providing meals three times a day is a big job, meeting not only a physical need of the campers but also the great meals convey a strong message to the campers that they are loved. We continually hear testimony of how God has met with campers, ministered to them, healed them or spoke to them through the ministry of Camp AN. God is not only opening the doors to campers' lives, but also to whole families and villages. God is changing western Alaska though these young people! Glory to God!

You have a part in every soul touched through Camp AN, Crossroads or our Alaska Evangelism Bible study program. We give thanks for you this Thanksgiving and wish you a very Merry Christmas!
